SUBJECT: DIPLOMATIC CASTS HANDLED BY INTERPRESS			
Charley: Attached are three preambles of diplomatic casts which Interpress usually transmits daily. They are often--but not always-- run at the same time and they are rerun a number of times during the Interpress transmission. My specific question: Should these be carried on our coverage records (and yours) as distinct transmissions or should they be lumped under the Interpress cast as I have them now? I believe that when Carlini handled Interpress they pulled the diplomatic casts out as separate entities. I would prefer to handle them as part of Interpress, since I am not aware of any reason for making them separate items. Please advise if you have any strong feelings either way. Am looking forward to the next issue of Bill Lutz' publication to see his writeup on the 850 KCS pro-Samudio Panama station. Regards to all amigos
